

ASHRIDGE HOUSE

OUR BEDROOMS REIMAGINED

Discover a seamless blend of history, comfort, and tranquility,
at our country retreat with our refined and redesigned bedrooms.

A WARM WELCOME

Undergoing a graceful transformation, our bedroom interiors are being reimagined with a distinctly contemporary touch while paying homage to our rich history. At the heart of this redesign is a commitment to elevate guest experiences, cultivating an atmosphere that radiates calm and comfort.

Inspired by the House's history, the 190 acres of landscaped gardens, and the rich woodlands, our rooms seamlessly blend history, nature, and contemporary elegance. It's a harmonious fusion where the past, present, and natural beauty converge to create a uniquely refined experience for our guests.

Every corner reflects our commitment to preserving
our past while embracing the future.

INVESTING IN COMFORT

Phase 1 of our 4.8M GBP refurbishment concludes in April 2024, the entire project is set for completion by September 2024. Beyond bricks and mortar, we're intricately weaving warmth and character into every nook, crafting an atmosphere that resonates with Ashridge House's timeless allure – a true home away from home.

All upgrades will be carefully carried out during a discreet timeframe to allow current guests to peacefully enjoy their stay in 2024.

RELAX AND RECHARGE

Nestled in serene woodlands across various buildings and surrounded by beautiful countryside, our newly designed bedrooms beckon guests with a sense of homecoming after events, intimate gatherings, and celebrations. The design seamlessly combines a mixture of the old with the new and the layout facilitates togetherness, allowing guests to forge connections in the surrounding grounds, house gardens, and various communal spaces integrated into some of our accommodations.

A veritable oasis, promising rest and rejuvenation awaits within these thoughtfully curated spaces.

IMMERSE AND INDULGE

As you move through the buildings, each bedroom presents a unique perspective and connection to the grounds. Whether it's the earthy paint colours, solid walnut wood, and English Oak bedframes found in some of our rooms, or the eco-friendly 'Seaquel' bedding fabrics, every detail encapsulates both comfort and character.

Individually curated bespoke artworks enhance the ambiance, their charm woven into the natural materials and meticulous craftsmanship evident throughout.
